

Lesson 17 – Application Fees

Lesson 17 – Application Fees	1
Overview.....	2

Overview

The entry of money received is fully covered in Lesson 11 – Receivables Manager.

Prior to 'bob' Version 2008, the Application Fees process required a training module of its own. But, since the revisions included in Version 2008, this separate lesson is no longer required.

This Training Lesson will be removed in future versions of 'bob'.
